10 MAR 59

MEMORANDUM FOR: Deputy Director (Plans)  
THROUGH: Acting Chief, DPD-DD/P  
SUBJECT: P2V7 Briefing of Air Force Personnel

25X1A

1. A briefing has been planned and arrangements made to brief [REDACTED] and other USAF personnel at 1400, Thursday, 12 March 1959 in the DCI conference room on joint Air Force-Agency use of the two P2V7U airplanes in [REDACTED]

25X1A

2. Subject to approval by you and General Cabell we propose the following:

25X1A

"Both RB-69A (P2V7U) airplanes will be retained in operation in [REDACTED]. They will be available for use by either the Air Force or this Agency on the following priority:

- a. Overflights (CIA)
- b. Peripheral Flights (USAF)
- c. Training (USAF-Agency)

Both airplanes will belong to the Agency. The cost of operation will be split on a 50-50 basis. The Agency will receive forty hours of flying each month for training. The balance of the flying time will be available to the Air Force."
